

Preferred Provider Network: Skilled Nursing Facilities

Prisma Health Upstate Network has developed a network of post-acute providers focused on improving communication and information sharing along the continuum of care to drive successful outcomes through aligned efforts in overall care delivery. The Network conducted an extensive evaluation of post-acute providers to assess care delivery, quality, and value alignment with the network's vision of enhancing the quality of life of patients. Each preferred provider listed below has been selected based upon this criteria and are continually monitored on key performance indicators ensuring quality of care for the patients we serve.
